Introduction

'FMC Premium 2012' will be staged at FMC China 2012 in Shanghai World Expo Exhibition & Convention Center (Sweecc). Targeted at high-level furniture raw materials & components products, FMC PREMIUM, as part of FMC China 2012 (Furniture Manufacturing & Supply China 2012), has been the trade focus of the industry.

FMC Premium covers all products necessary (except woodworking machine) for the furniture production line in a top level – from basic materials to chemicals, fittings and semi-finished products, etc.

FMC Premium features uniform display upgraded stands without hindrance from walls and catering service furnished. It provides exhibitors & visitors a harmonious, relaxed environment for concentrated business-communication. The concept of FMC Premium will allow for highly efficient vendor-buyer interaction in a highly enjoyable surrounding.
